Consumer Notes:

Well, it's 1999 and have we got news for you! Firstly, you may have noticed last year that many of your biggest selling titles became unavailable ... like Akira, for instance. Well, the Orion deal has finally sorted itself out and those titles are once again available through us! Next, there are a LOT of new DVD titles (including the La Blue Girl DVD's) ... don't get caught short on these! If that weren't enough, look at all that cool new merchandise! Looks like 1999 is going to be an anime year!

JEFF'S PICK(S) OF THE MONTH

There are interesting things this month to be sure, but few real standouts. Probably the two best things shipping are Akira (after a long absence) and the Tekken OVA (sure to appeal to all the gamers out there).
